SAVANNAH POST 135 912.233.9277

1108 Bull Street, Savannah, GA 31401

June 2010 Newsletter

HISTORIANS CORNER

How many of you checked out: sagis.org? The ownership of Forsyth Park comes as a surprise to most post 135 members.

The fact that horses were once quartered where the Park Avenue shops now stand is still not believed by some members.

Can you imagine the pomp and circumstance surrounding the military maneuvers in the south end of the park while Savannah's people of importance looked on? Well, it all happened and it all should be recorded. The post hopes to compile and then publish a history of the post home and properties. We want to do this with the help of all our members.

We are begging you to submit any memories you may have or memories passed down to you from your parents. All entries will be published with credit given to their originators.

We can do this. Think of the benefits to the post and future members. Let's get started.

- Historian **Jeb Newton**

LADIES AUXILIARY

Hello everyone,

My news letter will be sparse this month. There's not lot news to report, since many of our members are on vacation. The summer is always a bad time for people to attend meetings.

I would like to remind everyone to please try to attend the memorial service at Bonaventure Cemetery on May 31st, 2010 at 10:00 am. Lunch will be served at Post 184, afterward. If you have not attended a memorial service at Bonaventure Cemetery before, I assure you it will be worth your while to come out and take part in this patriotic event.

We have a new member whose name is Betty Lee. Her husband is Robert, who also is a member of the Legion. I know Betty will be a great asset to the Auxiliary at Post 135.

I am sorry to hear that Kathleen Litton is not feeling well at this time. Ruth Heyman and Eloise Rioux are also not feeling well. Please keep these ladies in your prayers and remember to pray for our service personnel, veterans and their families.

- President, **Connie Smart**

NEWS FROM THE SONS OF THE AMERICAN LEGION SQUADRON 135

We were asked where would we put an elevator. We would like to put one on each corner of the post.

We haven't forgotten our pledge to raise money for this lofty goal. We are working on a plan to revolutionize the way the post makes money from dances.

With the approval of the post, we would like to try our experiment in the coming months. We will be using the post ballroom during the middle of the week. We hope to have a low overhead, high profit operation. All post members will be asked to become involved. The complete plan will come before you next month.
